++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing. Clearing skies and a sharp frost overnight.

This Evening and Tonight:
Showers easing from most areas this evening, but some may linger through the night, and may produce snow over the higher tops of the Pennines and Cheviots. Away from the showers clear skies leading to a sharp frost. Minimum temperature -4 deg C (25 deg F).

Thursday:
A cold and frosty start, but then bright with sunny spells. Showers developing during the day, perhaps heavy with a risk of hail and thunder, and some hill snow. Chilly. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Further sunshine and scattered showers on Friday. Starting dry and bright Saturday, then windy with persistent rain later. Windy with heavy showers Sunday.
